Letter From Our Principal

Lent urgently calls us to conversion. We are called to return to God with all our heart.
Pope Francis

Dear Parents,

It is such a blessing to make this Lenten Journey here, in a Catholic school, surrounded by the energy and enthusiasm of students. For many of us, the sacrifice of Lent and changing of habits is hard. Our children are eager to keep their promises and to do so joyfully. I wish everyone had the opportunity to experience Lent in this way. Thank you for sharing your students with us!

Our Sacred Heart 8th grade students will be presenting Living Stations of the Cross tomorrow. There will be presentations at 1:00 and 6:00, in the gym. Each year I look forward to this event. This prayerful experience calls us to join Christ and His Blessed Mother through the Passion. We invite you to join us for this moving meditation on the Way of the Cross.

The STEMbus is coming to Sacred Heart! It will be here next Tuesday, March 14th. We are so excited for this unique experience for our students. We will begin with an all school assembly at 8:45. This will be a high-energy, hands-on, experience for students, and will be followed by individual class time on the bus and in a specially set up classroom. Parents are invited to join their students for this fun and dynamic learning opportunity. Please see the handout, in today's family envelope, to see when your child is scheduled to tour the bus. You can be here and go through with them. We hope to see you here for this great opportunity!

Next week is a busy week for the school. On Wednesday, the 15th, we are hosting an Open House, for families to tour the school, meet staff, and ask any questions they may have about Sacred Heart. We invite families to join us any time 9:30-11:30 to see the school. If you know anyone who may be interested in Sacred Heart as an option for their children, please share this news with them. We are accepting registrations right now for the 2017-2018 school year. (If you have not turned registration in yet, now is the time to do it!)

Congratulations to Joshua Horn and Claire Wimer, our Sacred Heart contestants in the Speech Contest at St. Paul's on Monday. Claire earned 3rd place and Joshua was the overall winner! I am thrilled and so proud of these two sixth graders. If you see them or their families, be sure to let them know how proud we are of them!

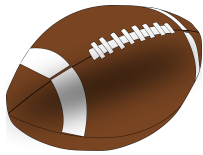

Congratulations also to our 7th grade TVCS boys' basketball team. They won the Intervalley League championship last night! Sacred Heart students on the team were Owen Hentges, Jack Heffner, and Xander McGiff. It was a lot of fun to watch this group of boys play all season and cap off their hard work receiving the championship plaque. Congratulations guys!

I pray that you all have a wonderful weekend!

In Christ,

Brock Carpenter
