Letter From Our Principal

SLE - Appreciation for self, others, and the world: "To suppose that the Church's mission of service is somehow less urgent in today's world than in the past is to fail to recognize mankind's enduring spiritual need and the unique capacity for meeting that need possessed by the Christian community." To Teach as Jesus Did, 1972, #30

Dear Parents,

Happy Spring! Our weather has not been so nice lately, but hopefully that will change soon. Yesterday we ended up having recess inside, due to the rain! That makes a long day for students and teachers!

Saturday was our Gala, here at the school, and it was a wonderful event. It is so nice to see the school dressed up and transformed into a venue for this special night. I want to thank everyone who was involved in the Gala, from making phone calls and picking up donations, to fluffing baskets and setting up, to cleaning up all the mess. We are so blessed and so grateful to all of you who prayed for and contributed to this event. Thank you!

I also want to thank Casey Bentz, and his Gala Team, for the amazing event they put together. There are so many people and so much time that goes into that night that I can't possibly express the depth of our gratitude. I just want them to know what a difference they make in our school and our community. I pray that God will bless each and every one of you!

Don't forget that the online portion of auction is still going on. You get go look and bid at <https://sacredheart.afrogs.org/#/index>. This will end this weekend, so you better move fast!

Our second grade students have a big weekend coming up. They will be receiving their First Communion on Sunday! We are so excited for them and can't wait to celebrate with them! Join us at 1:00, on Sunday, if you can.

In today's family envelope, you will see a flyer about Idaho Gives and our school foundation. We all have the opportunity, on May 4th, to come together statewide, and give to a charity of our choice. This year, the Catholic Schools Foundation of the Sacred Heart, is an option to receive donations through Idaho Gives. If you are able, please consider making a gift donation to our Foundation, through Idaho Gives. The

Foundation is instrumental in supporting our school financially. We count on them every year to provide assistance, and they are happy to help us. This is a special group of people who have a love for Sacred Heart, and are focused on maintaining a secure future for the school. We will also do a donation free dress to help the foundation next Thursday. Please see the flyer for more information.

The TVCS tennis and track seasons are wrapping up. Our tennis kids will be participating in the district tournament this Saturday, while track kids will have their district meet next Monday and Tuesday. Good luck to all of our athletes!

If you know of anyone who is looking for preschool options for next year, please encourage them to contact us. We currently have 3-4 spots available in our Mini-Crusader program.

Have a great weekend!

In Christ,

Brock Carpenter

SCHOOL HEALTH PROGRAM

BK sports physicals

Hello Parents,

It's time again for our annual BK and TVCS sports physicals. I hope you will support our BK Sports Medicine program and receive a high quality physical for your student/athlete(s) performed by our volunteer doctors and nurses. Getting your physical through BK also assures your athlete has their physical on file before the start of the season. It is good through the 2017/18 sports seasons.

BK and TVCS Sports Physicals are scheduled for Sunday, May 7th from 12-4pm at Saint Alphonsus Family Center, 900 N. Liberty St, Suite 204, same place as last year. Athletes must bring their physical form filled out and signed by a parent and the athlete and the \$25 fee (checks made out to BKHS).

Step 1: Register for an Appointment

We have automated the sports physical sign up process to make it more convenient for you and efficient for us. Below is a link to the electronic sheet where you can set an appointment time for your athlete to receive their mandatory annual physical. This is not only a great value at \$25 but it is a fundraiser for our Sports Medicine program and allows us to purchase supplies and equipment for our athletes. (TVCS athletes please select 2021 student athlete graduation year.)

Step 2: Complete the Physical Form

You can find and print the "BK Athletics Physical Form" by going to <http://www.bkathletics.org/forms>. The health history and signatures on the first page must be complete before the appointment. The second page is completed by our doctors and nurses.

The online appointment times are on a first come first served basis. If you have any questions or concerns, please contact me.

We are happy to provide this service and your support is greatly appreciated. If you have any questions, please email me (Nate) at the email below.

My best,

H&S Happenings:

Happy Volunteer Appreciation Week!! I am personally very grateful for all the volunteers that have been so essential for our Home & School activities! We are blessed to have such a great community of volunteers!

Congrats to the 2nd and 7th grade classes on winning a free pizza party from Papa John's! And thank you to everyone who ordered pizza last week. The money we brought in will help pay for some of the new headphone sets we are buying for the 6 classes with Chromebooks!

Pay attention to the family envelope and emails from your room parent on all the great things we have planned for Teacher Appreciation Week next week.

The next H&S monthly meeting is Monday, May 8th at 7PM. We will plan to meet out on the school patio since this will be right after a T-ball game. Unless it is raining and then we will be in the library. At this meeting we will start the process of planning the events for next year so if you have any ideas this will be a great time to share them!

If you ever have any questions about H&S and our events, feel free to contact me any time!

States' 4-H International Exchange Needs Your Help!

Please help us reach our goal to match 75% of our delegates with a host family by April 30th. We need youth 12 -17 years of age, especially 12 and 13-year-old boys, to host our summer exchange delegates.

To reach this goal, we need 25 families to step up and invite a Japanese or South Korean delegate into their home this summer. We match host siblings and exchange delegates based on gender, age and interests. If you apply before May 15th, you can help us select your delegate, so get your application in early!

The delegates arrive July 22nd and depart August 17th. Do not fear – they travel with chaperones who stay in Idaho during their exchange! If you do not have youth in your home, but would like to host an adult chaperone, please let us know!

Note, there is no need to plan special activities for your new family member – they are here to experience the American lifestyle, make friends, and practice their English-speaking skills. Plus, you do not need to be involved in 4-H to host a delegate, so please spread the word!
