FACTS Family Portal (Preschool- 8)

All families will use the FACTS Family Portal for all payments- tuition, fees, and incidentals. Each family will have an online agreement for paying tuition. An agreement confirmation will detail the terms & conditions, payment instructions, and other important information. A \$10 late fee will be incurred for past due payments. If a payment is returned, a \$30 FACTS Returned Payment Fee will be assessed and shown on your statement. Student grades, nurse information, and other important information will also be housed in the FACTS system.

Tuition Assistance (K-8 only)

Tuition assistance is funded by Angel Fund Donations and is made available based on the amount of money in these particular accounts; funds are limited. Preference for tuition assistance is given to contributing parish families. Families apply for Tuition assistance through FACTS after creating an account. There is a \$45 application fee. When a Tuition assistance form is approved, the FACTS account will be credited for this fee. Tuition assistance applications for the 2026-2027 school year are due May 1, 2026.

RaiseRight (Preschool-8)

The Sacred Heart RaiseRight Program was founded in 1997 as a supplemental fundraising activity for Sacred Heart Catholic School. The program allows Sacred Heart Catholic School to receive a portion of the purchase price of gift certificates from hundreds of national participating retailers. The RaiseRight program was implemented to reduce the necessity of Sacred Heart students having to engage in additional fundraising activities. The minimum RaiseRight purchase commitment will be \$1000 for the current school year for all families preschool through 8th grade.

If a family chooses to waive their RaiseRight commitment they may pay \$500 at registration to fulfill this obligation. Failure to meet the minimum RaiseRight requirement will result in the family being invoiced for the remaining amount.

PALS (K-8 only)

The PALS Program (Parents Assist Learning in Schools) is responsible for educating, registering and monitoring volunteers for the various activities in which volunteers are needed. The PALS program is a parent/guardian involvement program which requires a service commitment. Each family will commit to **twenty (20) hours**, worth of service to Sacred Heart Catholic School, to be fulfilled during the year.

If a family chooses to waive their PALS hour obligation, they may pay \$500 at registration to fulfill this commitment. PALS hours are documented on the main FACTS family portal page. Failure to meet the PALS requirement will result in the family being invoiced at a rate of \$25.00 per remaining hour and posted to your FACTS account.

Parish Agreement (K-8 only)

During enrollment, families will select a parish in order to determine their tuition rate (see above chart). For Catholic parishioners in the Diocese of Boise, the parish offices will confirm these selections. The school will contact families if further discussion and a parish agreement form signed by the family and pastor is necessary. The parish agreement forms must be turned in to the church office by May 1. The school will contact any families who need to complete this form after the registration process.
